TRADE AND DEVELOPMENT BOARD

LIST OF INTERGOVERNMENTAL BODIES PARTICIPATING IN THE ACTIVITIES OF UNCTAD

Addendum

1. The Trade and Development Board, at the second part of its fortieth session, on 19 April 1994, approved the application of an intergovernmental organization for designation under rule 76 of its rules of procedure. Accordingly, the following entry should be added to the list of intergovernmental bodies participating in the activities of UNCTAD :

The Commonwealth of Independent States (CIS)

2. The Secretary-General has been informed by the Arab Industrial Development Organization (AIDO), which was granted status by the Board at its eighteenth session, that the organization has changed its name to the Arab Industrial Development and Mining Organization (AIDMO) and in its new structure consists of the former AIDO, the Arab Organization for Standardization and Metrology (ASMO) and the Arab Organiztion for Mineral Resources (AOMR). ASMO, which was granted status by the Board at its seventeenth session, is now inactive and, as it forms part of the restructured AIDMO, is being deleted from the list of intergovernmental bodies participating in the work of UNCTAD.

3. Accordingly, the number of intergovernmental bodies participating in the work of UNCTAD now totals 103.
